Reliable STARTER KITS

Get connected, stay connected

Fit Hoselink to your garden hose and enjoy a secure, reliable hose connection like no other. With all the connectors you need to fit out one hose and tap, simply choose which sprayer best suits your requirements and get started with Hoselink today.

OUTBACK STARTER KIT

Back to basics

If all you need is a traditional spray nozzle, then this kit is for you. It includes fittings for the tap, hose and spray end plus our Basic Spray Nozzle. Ideal for use with water tanks where maximum water flow is required. Please check water restrictions in your area before purchase.

Warranty – Fittings 3 years, Sprayer 1 year

Item 2210

\$21.⁹⁰

DAINTREE STARTER KIT

Compact, sturdy sprayer

With fittings for the tap, hose and spray end plus our new Flow Control Spray Nozzle, this kit is a beauty! The stronger set-in flow lever is highly durable and easy to adjust as you water. The brass nozzle head turns from a fan spray to jet stream and everything in-between.

Warranty – Fittings 3 years, Sprayer 1 year

Item 2252

\$34.⁹⁰

PREMIUM NED KELLY STARTER KIT

Our most popular starter kit

Our customers just love the Premium 7-Function Spray Gun for its durability and spray functions. This kit includes Hoselink fittings for the tap, hose and spray end plus a handy Accessory Connector with Swivel. This prevents the hose from twisting as you water your garden!

Warranty – Fittings 3 years, Sprayer 1 year

Item 2256

\$35.⁹⁰

WATER WISE STARTER KIT

Save time, save water

The added benefit of this kit is the flow control lever located at the spray end of the hose. With this lever you can vary the water flow or turn it off altogether while you switch from one watering accessory to another.

No more running back and forth to the tap! An upgrade on the popular Premium Ned Kelly Starter Kit, this kit will give you an even better watering experience. Trust our no-burst hose fittings for a 100% watertight connection, every time.

What's included:

- Universal Tap Connector + Hose Connector (for the tap end)
- Hose Connector with Flow Control + Accessory Connector with Swivel (for the spray end)
- Premium 7-Function Spray Gun
- Spray Gun Lubricant & 3 Spare O'Rings

Commercial & Rural 18mm HOSE FITTINGS

For commercial and rural size garden hoses

If you've got 18mm hoses, you can enjoy all the same benefits of Hoselink's no-burst fittings with our range of 18mm Hose Fittings.

They feature the same bayonet style fitting with an O-Ring to O-Ring seal and a point and twist connection to make watering easy. Typically used in rural and commercial settings, 18mm hoses provide a higher water flow rate than regular sized hoses.

18mm BASIC STARTER KIT

No-Burst hose fitting set

If you don't need a sprayer, this is the kit for your 18mm hose. Connects to the tap at one end and the accessory at the other.

Item 2510

\$25^{.90}

18mm UNIVERSAL TAP CONNECTOR

Universal fit to suit any tap

Fits any size Australian tap with the included size reducer. Delivers a 100% watertight seal that won't burst off under pressure.

Item 2530

\$8^{.90}

18mm HOSE END CONNECTOR

Guaranteed to never burst off

With its unique and patented technology utilising a barb and white split ring, it locks the hose and fitting together.

Item 2550

\$8^{.90}

18mm ACCESSORY CONNECTOR

Connects to most accessories

Securely connects your hose to standard watering accessories via the 3/8" BSP male thread. Ensures a watertight seal.

Item 2570

\$8^{.90}

18mm ACCESSORY SWIVEL CONNECTOR

It twists as you water

Perfect for attaching to any type of hand held sprayer as it will prevent your hose from twisting as you water.

Item 2571

\$11^{.90}

18mm TAP TO HOSE CONNECTOR SET

Watertight tap connection

Ergonomically designed bayonet style fitting allows a simple point and twist to connect. Includes a Tap and a Hose Connector.

Item 2520

Great Coverage WATERING

A sprinkler to suit every lawn or garden

Watering is easy when you have a sprinkler do the work for you. Our range has a sprinkler to cover any size or shape garden, from rectangular (Oscillating) to small courtyards (Classic Round or 9-Pattern) to the largest of lawns (Tripod Impulse). By selecting an adjustable sprinkler, you can set the spray pattern more accurately without wasting water. Or for no evaporation at all, place a Weeper Hose in your garden bed that slowly weeps water. We offer a 12 month warranty on all sprinklers.

CLASSIC ROUND SPRINKLER

Built to last a lifetime

A reliable metal sprinkler in a classic design loved by generations. The 360° fountain spray reaches up to 6m diameter.

Item 5638 **\$15.⁵⁰**

9 - PATTERN SPRINKLER

Versatile watering for your lawn and garden

Awkward spaces are no match for this robust sprinkler! Turn the dial to select from 9 different spray patterns.

Item 5640 **\$32.⁹⁰**

WHIRLY SPIKE SPRINKLER

Elevated reach

Works best with good water pressure. The telescopic pole reaches from 51cm to 86cm for improved distance.

Item 5643 **\$41.⁹⁰**

IMPULSE SPRINKLER SPIKE

Even watering

Perfect for large lawns and gardens and can be adjusted to cover 30° to 360°. The solid ground spike easily pushes into the ground.

Item 5648 **\$34.⁹⁰**

OSCILLATING SPRINKLER

Our most popular sprinkler

This durable sprinkler has a gentle oscillating motion that covers up to 15m x 20m and features an adjustable spray distance and flow.

Item 5642 **\$66.⁹⁰**

WEEPER HOSE

Slowly seeps water into soil

Delivers a slow, even water supply directly into garden beds with minimal evaporation.

7.5m Hose Item 4849	\$21.⁹⁰
15m Hose Item 4848	\$31.⁹⁰

TRIPOD IMPULSE SPRINKLER

Greatest coverage

This sturdy adjustable tripod with irrigation sprinkler allows you to manage any watering situation with ease. Features long spray radius impact head. Works best with strong water pressure.

Ideal for large areas and uneven ground. The impulse sprinkler action spreads water evenly and the head can be adjusted for full or part circle coverage.

Includes a Hoselink Accessory Connector (12mm) for quick connection to your hose.

Item 5647 **\$94.⁹⁰**

Dependable SPRAYERS

.....
There's a sprayer just right for you
.....

Nurturing your garden by taking the time to water your plants is certainly one of the simple pleasures in life. With reliable fittings on your hose and the right sprayer in your hand, it's easy as well! Whether you need to water hanging baskets, deep water trees or tend to seedlings in pots, Hoselink has a sprayer you'll enjoy. We offer a 12 month warranty on all sprayers.

**BEST
SELLER**

BLASTER

Spray with punch

This unit maximises water pressure and is ideal for hosing down pathways, cleaning off mud or reaching high spots. Operates via flow control lever.

Folds away safely

This easy to hold saw takes care of sticky sap-laden and thick branches via the dual-action serrated cutting blade.

Item 6575

\$29.⁹⁰

Hoselink's BUYING GUIDE

Keen to switch to Hoselink's reliable, no-burst fittings? **That's great!** Use this guide to ensure you select the right products for your needs!

GETTING STARTED

HOSE FITTINGS STARTER KIT

Ideal for those wanting to try Hoselink fittings on their current garden hose. See page 7.

- **What it does:** A set of fittings you can use to convert one of your existing hoses to Hoselink.
- **What it includes:** Comes with fittings for the tap and sprayer plus a sprayer of your choice.
- **Options:** A selection of starter kits is available depending on your preferred sprayer.

GARDEN HOSE + FITTINGS SET

Ideal for those wanting to replace their current garden hose and don't want a retractable reel. See page 13.

- **What it does:** A regular garden hose that you manually wind onto a hanger, loop over a tap or put onto a manual wind up hose reel.
- **What it includes:** Comes with fittings for the tap and sprayer plus a quality metal spray gun.
- **Options:** Available in two hose types and various lengths.

RETRACTABLE HOSE REEL

Ideal for those wanting a hose solution that's both neat and tidy and easy to use. See page 3.

- **What it does:** A wall-mounted unit that includes a spring-loaded hose that rolls in and out easily.
- **What it includes:** Comes with the wall bracket, fittings for the tap and sprayer, plus a quality metal spray gun.
- **Options:** Available in a variety of hose lengths plus a Hi-Flow option for those needing to maintain water pressure.

WHAT ELSE MIGHT I NEED?

DO YOU EVER USE SEASOL OR PRE-PACKAGED SPRAY BOTTLES?

You'll need to connect via a **Click-on Adapter Set**. Item 2491 | Page 9

DO YOU HAVE A PRESSURE WASHER YOU NEED TO CONNECT?

Unscrew the inlet fitting and replace with a **Universal Tap Connector**. Item 2320 | Page 9

DO YOU HAVE A SPRINKLER OR OTHER ACCESSORY YOU STILL WANT TO USE?

If you can unscrew the inlet fitting replace it with an **Accessory Connector** | Item 2470 | Page 9

A message FROM TIM

Our family run business has grown from very humble beginnings into the thriving company it is today thanks to the continued support of our customers. The Hoselink success story wouldn't have been possible without the recommendations you make to your family and friends and for that we are extremely grateful. Be assured that we will continue to provide you with high quality products you can count on, along with good old-fashioned customer service.

All the best,
Tim Kierath
CEO & Founder

Our customers
LOVE HOSELINK

.....
We are sure you will love our products too!
.....

“

“So easy to use. Top quality product. No longer do I have to battle a kinking multijointed hose, with leaky fittings. Love the strong retraction feature. Also love the water selection features. I’m very happy with my Hoselinks. And, as my husband says, ‘A happy wife is a happy life!!’ ”

WENDALL
Product Review

“

“Excellent customer service, a warranty that the company stands by, which is so rare these days, and quality all the way.”

KIRSTEN TERRY
Facebook

“

“Very happy with all of my purchases from Hoselink. Very professional and friendly service. Best hoses and connections I’ve had. I’ve had 2 hoses and fittings for over 5 years now and couldn’t be happier with the quality.”

TANYA OAKLEY
Facebook

“

“Honestly, nothing beats it. Nothing comes close to the quality of Hoselink connections.”

MITCH MORRISSEY
Facebook

“

“Really happy with my Hoselink connectors and sprayers. Very easy to set up and use. Best of all - no drips!”

HOPALONG
Product Review

“

“Not being a cheap item I was hesitate about buying this product but finally took the plunge when I realized how many different hoses and fittings I’d been through. This product has exceeded my expectations. I have not seen a single drip off any connection. The spray gun is so good I keep forgetting to turn the tap off when I am finished. Well done.”

KEITH UPTON
